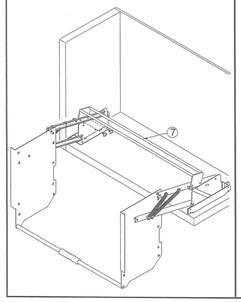
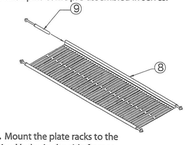
Pull Down Shelving System
Installation Instructions

Part # 5PD-24C, 5PD-36C

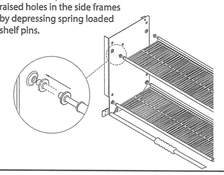
3. Extend unit to the open position and secure rear brace to the frame arms.



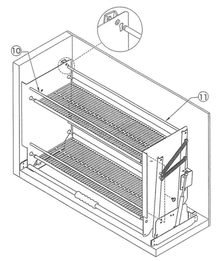
4. Shelf pins come pre-assembled in selves.



5. Mount the plate racks to the raised holes in the side frames by depressing spring loaded shelf pins.



6. Screw the two front support bars to the side frames. Utilizing keyholes, press fit three rear support bars to the side frames.



We hope you enjoy your new Rev-A-Shelf Pull-Down Shelving System.
If you have any questions please feel free to contact our Customer Service Specialist at 800-626-1126 or visit Rev-A-Shelf online at www.rev-a-shelf.com
